

Wave couch

Inspired by the desire to lounge around from time to time, we have created a couch that is both multi-functional and contemporary. You're in charge and can create the couch you want with our nine Wave couch elements. It has a slightly more active seat and can be combined with an inviting divan element. The overall shape of the couch can be traced back to Hollywood in the early 1970s and, thanks to its round curves, it will turn your living room into an inviting place to gather and relax.

FABRIC
Cosy

COLOUR OPTIONS

Beige 

FABRIC SPECIFICATIONS

Composition faceside: 61% polyester, 39% polypropylen
Coating: needle punch
Material weight: 440 g/lm
Abrasion resistance (EN ISO 12947 I&2): 50.000 cycles, martindale
Pilling resistance (EN ISO 12945-2): class 5
Lightfastness (EN ISO B02): class 4-5
