Filling:

- The cushions are filled with foam in combination with a layer of Hollow fiber/Dacron.

Wash instructions cushion:

Cushion covers can be washed by hand only with a soft detergent and warm water. Do not tumble dry. Do not iron.

Care instructions lounge sofa:

Wash with a soft cloth and a mixture of a mild detergent and warm water. Rinse with warm water, and wipe dry with a clean, soft cloth. Do not use abrasive, acid, alcohol-based, or solvent-based cleaners; they will damage the surface and cause the metal to erode. Wipe up immediately using a clean, soft cloth. Store furniture indoors during winter.
